 13. 750W/1200W
 14. ABS

PTC 10000W
15-40°C
60°
Wide-angle heating to share warmth

Wide-angle shaking head for large range warmth
60° shaking head range, not just blowing in one place
Larger heating area

Portable Handy Air Warming Say goodbye to the cold winter

PTC quick-heating mini air warmer, achieving portable handy air warming to say goodbye to the winter

Handy knob Wide-angle air warming

High power heating

Intelligent constant temperature heating

PTC heating parts

Three-gear adjustment

Digital display of temperature degrees one touch to awake it

Real-time temperature display
with touch button design,
beautiful and useful

Safe heating with metal grill

Multiple protections for safety

The machine adopts metal mesh cover, which is sturdy and durable

Metal scald-proof
air outlet
Anti-scalding air
outlet is safer.

overheating protection
Automatic power-off
due to high temperature

Flame retardant
material
Safely warm,
nicely protect

Delay turning off
Extend the service
life of the machine.

PTC heating, safe and explosion-proof

Fast heating, without light and noise

The secret of instant heating lies in efficient ceramic PTC heating

PTC with high
thermal efficiency
The heater is
ageing-resistant
Long service life
Be safer

PTC can achieve
quick heating up
Quick heating,
instant heating
up by simply turning on
air warmer, keeping
constant temperature,
energy saving
and power saving

No light emitting,
healthy and comfortable
No light emitting, no
noise, no oxygen
consumption when
heating, healthy and
comfortable
