

1000w gold coated quartz glass heater halogen lamp tube bathroom infrared heat lamp

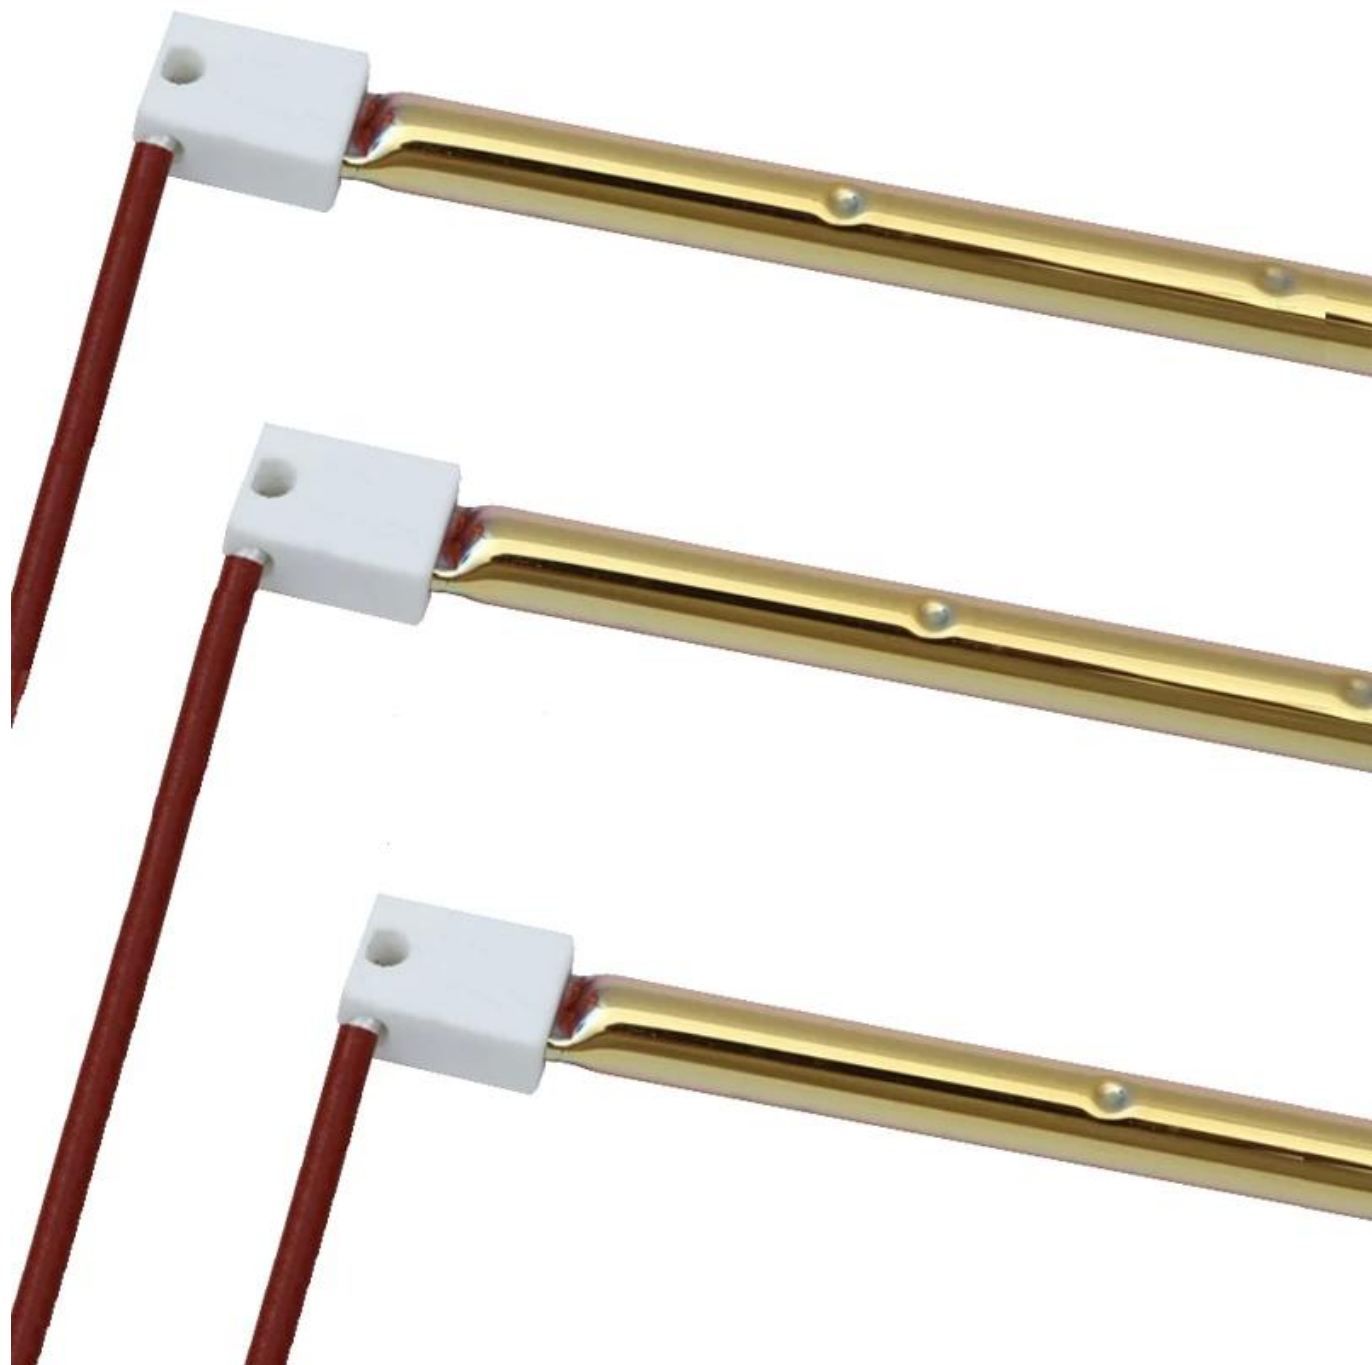

Testing on making:

Infered Heat lamp heating water proof , anti-exposure no glaring

Parameter show:

Color Temperature(CCT)	3500K (Warm White)
Input Voltage(V)	230v
Lighting solutions service	heaters Halogen lamps
Lifespan (hours)	6000
material	High Purify quartz
Total length	.350mm /300mm
Key Words	Halogen lamps Infrared, Bath room heater lamp
