

250w Arc Xenon Lamps Power Reflector Kits

Other [UV Lamps](#) Size For Special Design.

Application: Printing uv curing, UV inks silk printing curing lamp, offset flexo [UV Xenon Lamp Shenzhen](#)

PARAMETER DETAILS:

Input Voltage(V)	AC 220V(± 10%)
Lamp Luminous Efficiency(lm/w)	125
Warranty(Year)	1-Year
Lighting solutions service	Xenon lamps For medical use
Specification	XHA

Tube material:

High purify quartz GE

Electrode Pure tungsten

Tube electrode gold coated with steady performance
